

OUTBURSTS OF EVERETT TRUE

Sir—On a recent rainy Sunday I was walking to church. Two of my women parishioners walked ahead. Said one, "The minister will be good and wet when he gets to church this morning." Answered the other:

"True, but he'll be dry enough when he gets in the pulpit." Should I be offended or amused?—Rev. J. M.

Students of divorce can get most of their dope out of the cook books.
